Your home for housing help for 25 years.

GET YOURS TODAY! \$42.00 PLUS \$4 S&H

Each year, the Tenant Resource Center assists hundreds of Wisconsin landlords who have questions about rental rights and responsibilities...

That book and its subsequent editions were designed to give basic information about common rental problems. Since its first publication, over three thousand copies have been sold...

Written to meet the needs of new and part-time landlords, but useful to landlords with all levels of experience, this new fourth edition has been revised to include changes to state laws and regulations...
